FALL REGISTRATION BAY ROBERTS / HR. GRACE – 2014

Pre - Season Hockey School - Our pre-season hockey school is a great opportunity for players to hit the ice early and get ready for the upcoming All Star tryouts. This camp offers five hours of technical instruction in both power skating and modern shooting and scoring skills. This camp will run Monday, Sept. 22nd to Friday Sept. 26th, 2014. Camp Cost - \$125.00 (5 hours). Please register by Sept. 15, 2014

Goalie / Shooter Camp - Our popular Goalie / Shooter Camp will be back again this season! This camp offers a wide variety of opportunities for players of all ages and skill levels. Goalies receive instruction that suits their skill level and offers them a great balance between fun, technical instruction and the challenge of stopping pucks from shooters of their own skill level.

Over the past several years, we have seen excellent development from the goalies in this camp. Our shooters will learn modern shooting and scoring techniques from our highly skilled instructors on slap shots (if age appropriate) snap shots, backhand and wrist shots. In this camp we emphasize puck handling, passing and receiving, puck protection, deflections, screening, rebounds, net drive, quick release on shots, SHOOTING TO SCORE, along with highly competitive skating and puck battle situations. This is a ten hour camp that runs an average of one day per week from September to December.

Camp Cost - \$250.00 (10 Hours)

Power Skating - The importance of power skating cannot be over emphasized! Far too many players of all ages overlook the importance of continuing to improve their skating!

This camp runs for ten hours, an average of one day per week from September to December. This camp is open to players of all ages and skill levels. Players are taught modern skating techniques: forward, backward, pivoting, stopping, edge control, stride, balance, power and agility. This camp is also great for goaltenders, where they work with very qualified goalie coaches in a small group setting on skating, rebound control, angles and proper goalie technique. Camp Cost - \$250.00 (10 Hours)

Two-Line Instructional Hockey - (Atom, Pee-Wee and Bantam)

These camps are typically only open to All Star age players; however exceptions are made for highly skilled underage players. These camps offer highly competitive controlled games, where players are taught to play different positions on the ice, along with positioning, roles and responsibilities when playing each position in all 3 zones. Emphasis is placed on offensive and defensive face off alignment, breakouts and fore checking situations. Many of the top players and goalies from our area have found these camps to be a huge benefit in improving their overall game. This is a 10 hour camp that runs between September and December. Space in these camps is extremely limited. Camp Cost - \$250.00 (10 Hours)

Hr. Grace Combo Camp - This is a ten hour camp, every Thursday evening at 7:30-8:30 P.M. from October to late December at the S.W. Moores Memorial Stadium. This is a fun and exciting camp that combines our very popular Power Skating and Goalie / Shooter Camps all into one. This is a fast paced camp. Players hit the ice and go directly into power skating, where they learn modern skating techniques, forward / backwards, pivoting, stopping, edge control, striding, balance, power and agility. After 25 minutes of skating instruction players immediately break into smaller groups and fire up the Goalie / Shooter portion of the session. In this portion the players work on a variety of skills from shooting, passing, puck control, deflections, screening, net drives, and battle drills. This is an extremely popular camp that offers lots of competition and fun!

Camp Cost - \$250.00 (10 Hours)
